

**Sibford School**  
**- Reviews of marking - centre assessed marks**  
**(GCSE controlled assessments, GCE coursework,**  
**GCE and GCSE non-examination assessments)**

Sibford School is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Sibford School is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

1. Staff will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body. \*
2. Staff will inform candidates that they may request copies of materials to assist them in considering whether to request a review of the centre's marking of the assessment.
3. Staff will, having received a request for copies of materials, promptly make them available to the candidate.
4. Staff will provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision.\*
5. Requests for reviews of marking **must** be made in writing and **must** give details of the grounds for the request ie. Explain in detail in what way the mark scheme has been incorrectly applied to the candidate's work. A fee of £50 **must** accompany each request.
6. Sibford School will allow sufficient time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.\*
7. Sibford School will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
8. Sibford School will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. The candidate will be informed in writing of the outcome of the review of the centre's marking.

10. The outcome of the review of the centre's marking will be made known to the Head of Centre and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the review of the centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is outside the control of Sibford School and is not covered by this procedure.

\*Timing guidelines below:

- Staff should allow approximately 10 days for an external review of marking.
