Deposit and Fees

A deposit of £500 should be paid to the school on acceptance of a place. This will be held for the duration of your child's time at the school and will be refunded when the final fee account has been paid. In the case of pupils living outside the UK a deposit equivalent to one term's fees is required.

Fees are payable three working days prior to the beginning of term. An interest charge of 5% will be made on all outstanding accounts after this date unless special arrangements have been made in advance. Where special arrangements have not been made, any pupil whose fees are still outstanding by the beginning of term may be asked not to attend school until such time as their account is cleared in full.

Charges for extras appear on the account for the following term. Please note charges in excess of £25 will require parental approval.
